

THE WOMEN'S FINANCE EXCHANGE DALLAS TEXAS

December 6, 2011

The WFE is gearing up for a new year with more initiatives to benefit you and your business! We are offering a Corporate Sponsorship program for 2012. To provide additional opportunities and further enhance your membership, we hope you or your company will be able to participate in this program.

Through the past years, the WFE has worked to identify and enhance our ongoing events, speakers and networking offerings. We annually offer several luncheon meetings on professional and personal development, three major networking oriented events, including our annual Extreme Networking, one of our most popular events, as well as our philanthropy focused missions within our local community. Our 2012 agenda is already off to a great start as well!

Why a Sponsorship Program?

It is only through the generous support of you, our members, that we are able to present programs of interest and value that enhance membership. Currently, the WFE has over 100 members in addition to our guests, readers of quarterly newsletter and charitable contribution exposure in the community. With our growth, the WFE Board of Directors would like to further enhance membership through a Corporate Sponsorship program.

Program monies will help support our continued support of the Dallas Women's Foundation along with the ongoing marketing and support of our organization.

Corporate Sponsor Program

This program is limited to six (6) Corporate Sponsors with no more than two (2) per industry. We would like to provide Corporate Sponsors with visibility at our annual Kick-Off Event in January. Corporate Sponsorship contributions for \$1,500 will provide significant visibility through (a) publicity at all luncheons and other events, (b) four memberships for your company and one free guest pass, (c) website and quarterly newsletter recognition throughout the year, and (d) your company's logo on all email and reminder notices throughout the year.

Our program allows for both large firms and sole practitioners to have meaningful opportunities to participate. The Corporate Sponsorship program will provide you and your business excellent exposure and recognition among WFE members and guests.

Please contact the Women's Finance Exchange to sign up for this new and exciting opportunity!

Sincerely,
